Sub: Simplification of Joint Declaration Process- reg.

Madam/Sir,

1. In supersession of the directions contained in the Joint Declaration SOP Version 3.0 issued on 31-July-2024, following directions are issued to simplify the process:-
  - a) The process is simplified based on the classification of members as below:-
    - A. Member Id linked with UAN generated based on Aadhaar from 1st Oct, 2017 (JD request received online)
    - B. Member Id linked with UAN generated prior to 1st Oct, 2017 wherein Name, Dob & Gender, Aadhaar validated by UIDAI (JD request received online)
    - C. Member Id having UAN but not Aadhaar validated by UIDAI or without any UAN or belonging to deceased members (JD request filed in physical mode by member/claimant)
  - b) Level at which the change can be executed has been revised as per **Annexure I**.
  - c) Documents can be submitted by the member through Digilocker wherever feasible else uploaded as a single PDF from the documents listed in **Annexure-II**. The facility for uploading through Digilocker shall be introduced shortly. For each parameter, a minimum of 2 documents need to be uploaded but only 1 document would be required if it is through Digilocker. In cases where EE (Employee) himself can carry out the desired change, no document will be required to be uploaded.
  - d) In all cases where the JD request cannot be filed online by the member, the employers can file the request online including the case of deceased members by duly uploading the physical JD.
  - e) In case of closed establishments, the physical JD request duly attested by any one of the authorities who are authorized to attest the claim vide Para 10.18 of the MAP Part II-A along with the relevant documents can be submitted to the PRO in the format as laid down in **Annexure-III**.
  - f) In case of deceased members, the physical JD format can be signed by any one of the claimants eligible vide Para 70 of the EPF Scheme, 1952 and matching with Aadhaar data will not be required.

(This issues with the approval of CPFC)
