To

DIMS of State ESIS

Director (Medical) Delhi/Director (Medical) Noida

Deans / MSs - All ESIC PGIMSRs, Medical & Dental Colleges and Hospitals

Regional Directors/SMOs - All ESIC Regional Offices

Subject: Entry of Medical Equipment Details in *Dhanwantri* for the Revamped Medical Equipment Dashboard – Regarding

Ref: Hqrs Web upload No. U/16/301780120221PC-EquipmentDashboard(843) dated 11/03/22, 24/02/22, 04/10/22 , 15/02/23, 02/02/2024, 01.08.2025 & subsequent multiple emails

Sir/Madam,

With reference to the above subject and previous instructions regarding the regular entry and updation of medical equipment details in *Dhanwantri* for the Medical Equipment Dashboard by all ESI institutions, the following is informed:

1. The existing list of medical equipment available in the drop-down menu has been updated, and over 500 additional equipment items have been incorporated. These updates will be visible on the *Dashboard* screen once user units initiate data entry for their respective locations.
2. All ESIC and ESIS Hospitals are requested to update and maintain entries of all available equipment (as per the enlisted list) in *Dhanwantri* for the Medical Equipment Dashboard. Institutions must ensure that the data remains accurate, complete, and up to date.
3. Details of equipment proposed for procurement in the upcoming financial year should be entered under the *Future Equipment Dashboard*.
4. If any equipment (excluding instruments, small devices, or consumables) listed in the ESIC equipment norms is available in an institution but not reflected in the drop-down list, the same may be reported to this office via

return email.

5. A User Manual/Process Flow document on data entry for the Medical Equipment Dashboard in the *Dhanwantri* module is attached for reference and guidance.

All Deans/Medical Superintendents of the respective institutions are requested to ensure that the updation process is completed at the earliest.

Further, Regional Directors of all Regional Offices are requested to coordinate with the DIMS of their respective States to ensure that the medical equipment data is updated in *Dhanwantri* at the earliest.

This issues with the approval of Medical Commissioner.

Yours sincerely,
